- We manage the application for your merchant account.
- We set-up your Merchant Portal and allow you to track your donations.
- We supply the contactless donation boxes.
- We provide UK based on-going support.

Single Provider. Merchant Account. Merchant Portal. UK Support.

PAYA Group provides everything you need in one place, making it easier to set-up and manage your services and avoiding the complexity of multiple suppliers.

In addition to the latest technology, we offer a choice of device types, free set-up and an Merchant Portal to manage your services, transactions, box settings and campaigns in real-time.
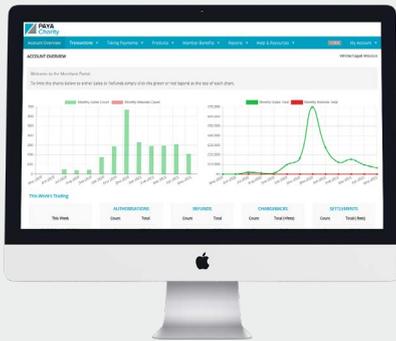

100% Online Application

To get set started with Contactless Donations, visit our website and apply for a Merchant Account. The application is 100% online and there are no set up fees to pay.

Once we've approved your application, we'll contact you to arrange the delivery of your contactless donation boxes.
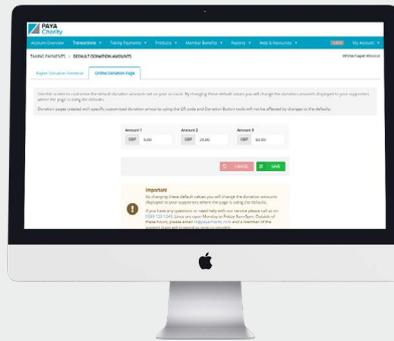

Merchant Portal Features & Benefits

Once you have set up a PAYA Group account, you will be given access to the Merchant Portal. The Merchant Portal allows you to monitor the progress of your contactless devices and the donations you receive.

Your donations are also viewable in graph and table form, giving you a quick visual summary of your transaction worth each month. Transaction statements can also be downloaded for use in reports and PR.

Track the performance of your donation boxes in real-time, adapting your campaign strategy to achieve optimal results.
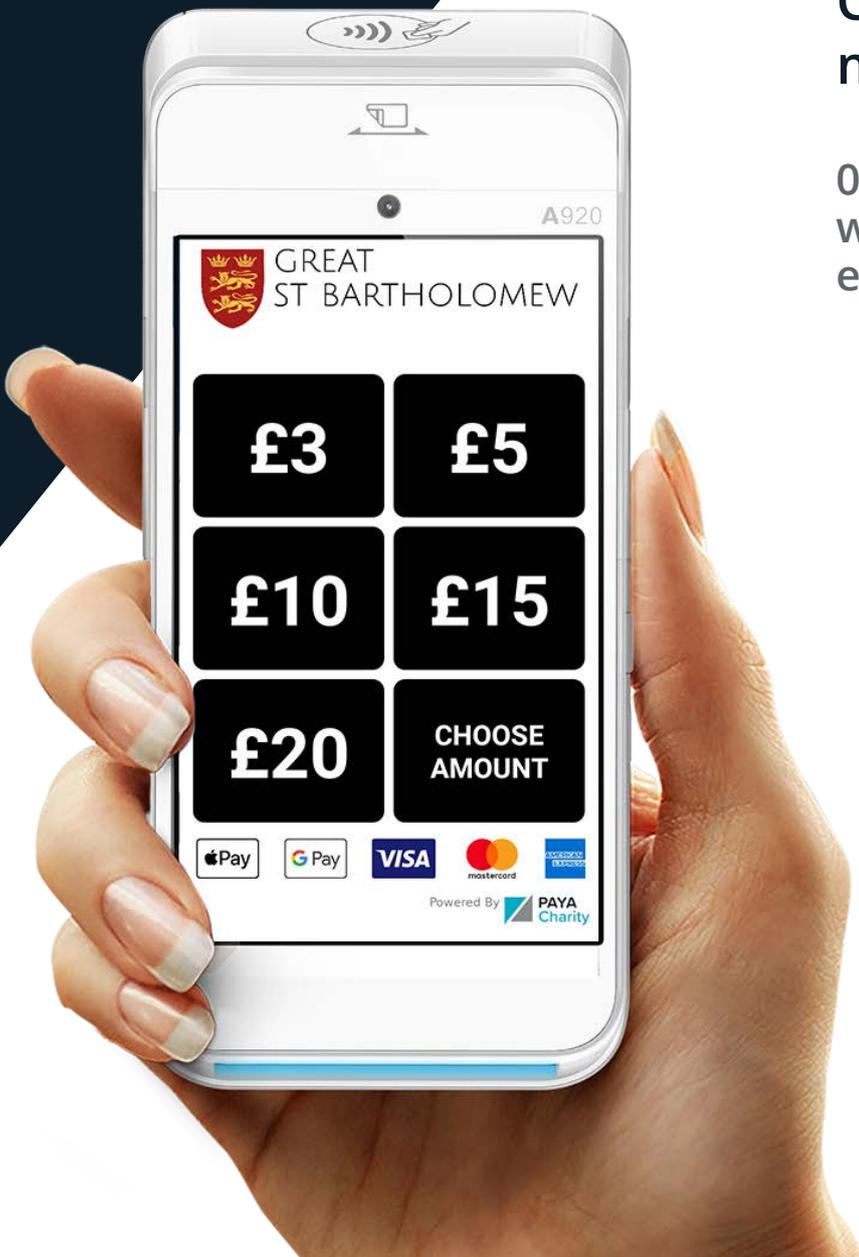

Manage contactless box settings online. View transactions, order products, reconcile statements and more.
